10th July 2026

Dear Parents and Carers

Consultation on Changes to the School Day

Thank you to everyone who took part in our recent consultation regarding proposed changes to the school day. We are pleased to share the consultation findings, which are attached to this letter.

The consultation demonstrated broad support for the proposal, with many respondents recognising the potential benefits for pupils, staff and the overall quality of provision. Following careful consideration of the feedback received, the school intends to move forward with the proposed changes. This decision has now been ratified by the school Academy Board and will proceed as of September 2026.

The new school day would be:

- **Monday to Thursday:** 8:40am – 3:05pm
- **Friday:** 8:40am – 1:00pm

As the proposal is now ratified, families should begin making arrangements that may be required. In particular, parents and carers who use school transport should be aware that **Friday drop-off times will change**. These arrangements will vary between pupils, so families should speak directly with their transport provider regarding specific collection and drop-off times.

Thank you for your continued support.

Yours sincerely

Peter Forrest
Headteacher
